What you get is what you see  
Let me tell you basically  
This is how it's gotta be  
Can't, with a girl like me

Can't change my destiny  
So if you wanna get next to me  
Gotta treat me faithfully  
Can't, with a girl like me

Two o' clock, I'm all alone  
Hear you on the telephone  
Telling me another line

Said that you'd be working late  
Asking me if I could wait  
Run that by me one more time

Keep me hanging on the line  
But you're running out of time  
Might have been a fool for love, but I'm not blind

If you're looking for a play thing  
Every other day thing  
I am not the one for you

I'm not looking for a part time  
Give me half your heart and  
Tell me what you're gonna do

Look into my eyes, let me tell you one more time  
I need everything, that's how it's gonna be  
With a girl like me  
With a girl like me

Broken rings and promises  
Gotta be much more than this  
I don't have to compromise

Been around enough to know  
When it's time to let it go  
Do I have to say, ?Goodbye?

Gonna make it clear to you  
Only one thing left to do  
Better understand 'cos every word is true

If you're looking for a play thing  
Every other day thing  
I am not the one for you, yeah yeah

I'm not looking for a part time  
Give me half your heart and  
Tell me what you're gonna do

Look into my eyes, let me tell you one more time  
I need everything, that's how it's gonna be  
With a girl like me, oh yeah  
With a girl like me, yeah,yeah,yeah,yeah

Yeah, yeah, yeah

What you get is what you see  
Let me tell you basically  
This is how it's gotta be  
Can't,with a girl like me  
(With a girl like me)

Can't change my destiny  
So if you wanna get next to me  
Gotta treat me faithfully  
Can't, with a girl like me

Gonna make it clear to you  
Only one thing left to do  
Better understand 'cos every word is true

If you're looking for a play thing  
Every other day thing  
I am not the one for you, yeah, yeah

I'm not looking for a part time  
Give me half your heart and  
Tell me what you're gonna do

Look into my eyes, let me tell you one more time  
I need everything, that's how it's gonna be  
With a girl like me  
(That how it's gotta be)  
With a girl like me, yeah, yeah, yeah, yeah

Yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

Oh yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah
