I know that you can hear the rhythm of the rain
Although we're miles apart I know you feel my pain
I try to be so strong, I try to carry on
But since you left the sun don't seem to shine

My tears are falling on the words you wrote to me
I wish that somehow they could take me where I wanna
be
It seems so long ago, you held me when I cried
For now I just pretend you're by my side, oh yeah

Everything that I touch turns to blue
When I'm living in a world without you
I'm going crazy, baby, I am missing you

Can't imagine all I go through
When I'm living in a world without you
I'm not alone, I know that you can feel it too
La, la, la, la, la, la, la

I try to watch a movie but you're all that I can see
(All that I can see)
And in my dreams I know I always see you constantly
But then a dream comes to an end and I'm alone
And I can't seem to let this feeling go, whoa, oh baby

Everything that I touch turns to blue
When I'm living in a world without you
I'm going crazy, baby, I am missing you

Can't imagine all I go through
When I'm living in a world without you
(Can't live without you)
I'm not alone, I know that you can feel it too

La, la, la, la, la, la, la, la
(La la la la)
La, la, la, la, la, la, la, la
(La la la la)
La, la, la, la, la, la, la, la

I try to be so strong, I try to carry on

But since you left the sun don't seem to shine, whoa

Everything that I touch turns to blue
When I'm living in a world without you
(I'm going crazy, missing you, baby)
I'm going crazy baby, I am missing you

Can't imagine all I go through
When I'm living in a world without you
(A world without you)
I'm not alone, I know that you can feel it too

La, la, la, la, la, la, la, la
(What can I do without you, baby)

Can't imagine all I go through
When I'm living in a world without you
(Living without you)
I'm not alone, I know that you can feel it too

La, la, la, la, la, la, la, la
(La la la la)
La, la, la, la, la, la, la, la
(La la la la)
La, la, la, la, la, la, la, la

I'm going crazy, missing you, baby
Living without you
(Living without you)
