Look at me tell me what you see
Does he please you
And make you go weak at the knees

I don't know how you know
But I guess it might show
That my eyes are in paradise

Can it really be that you're here with me
Are you touching me now
Or is this pure fantasy?

Are we in a dream?
Then let us be

No don't wake us
From this kinda bliss
'Cause we never had love
That feels like this

You're so amazing
You're so unbelievable
You're so incredible to me

You're so amazing
Just so unbelievable to me
And if I hold you
I know I'll never, never, never let you go

Can you hear me now?
Like I'm whispering
In a voice dipped in honey
That's making your heart want to see

Yes, I hear you now
Like a cooling breeze
On that hot summer night
That we met back in paradise

When I hear you sing
There's a tingling
Like a million fingers

Caressing me over my skin

Are we in a dream?
Then let us be

No don't wake us
From this kinda bliss
'Cause we never had love
That feels like this

You're so amazing
(You're so amazing)
You're so unbelievable
(So unbelievable)
You're so incredible to me
(Incredible, incredible to me, yeah)

You're so amazing
(You're so amazing)
Just so unbelievable to me
(So unbelievable, yeah)
And if I hold you
I know I'll never, never, never, let you go
(I'll never let, I'll never let you go)

You're so amazing
(You're so amazing)
You're so unbelievable
(So unbelievable)
You're so incredible to me
(Incredible, incredible to me, yeah, yeah, yeah)

You're so amazing
(You're so amazing)
Just so unbelievable to me
(So unbelievable to me)
And if I hold you
I know I'll never, never, never let you go
(I'll never let you go, yeah)
