Being with you
Longing for something to happen
Biding my time
Hoping to get a reaction

Atmosphere's tense
Heavy with anticipation
Don't leave me here
With only my imagination
Free me

Now free me
Let me loose to love you
Yeah, how I long to seduce you
Oh, free me
Let me loose to love you
Yeah, how I long to seduce you now

How long can I
Continue to suffer in silence?
My aching heart
Can't bear to wait in such suspense

So maybe it's time
To tell you just how I am feeling
It's full on desire
I have too long been concealing
Free me

Now free me
Let me loose to love you
Yeah, how I long to seduce you
Oh, free me
Let me loose to love you
Yeah, how I long to seduce you now

Free me
Free me

Now free me
Let me loose to love you
Yeah, how I long to seduce you

Oh, free me
Let me loose to love you
Yeah, how I long to seduce you

Oh, free me
Let me loose to love you
Yeah, how I long to seduce you
Oh, free me
Let me loose to love you
Yeah, how I long to seduce you now
