Come on
da da da da da da da
da da da da da da

You know nothing can stop us
No one can get in our way
We're on top, nothing's above us
We can fly, fly away

Like superman, Lois Lane
We're just as strong, just the same
I know nothing can stop us

I am, you are, we're one
You say, the word, and I'll come
We're invincible, yeah
Be bop mm do, be bop mm do
We're one, we're invincible

I know nothing can break us
No one can tear us apart
We're free, wind's gonna take us
So free wherever we are

Like kryptonite, we're out of sight
We need to touch to make it right
I know nothing can break us

I am, you are, we're one
You say, the word, and I'll come

We're invincible, yeah
Be bop mm do, be bop mm do
We're one, we're invincible, yeah

da da da da da da da, come on
da da da da da da
da da da da da da da
da da da da da da

Like superman, Lois Lane
We're just as strong, just the same

I am, you are, we're one (yeah we're one)
You say, the word, and I'll come (yes I'll come)
We're invincible, yeah
Be bop mm do, be bop mm do
We're one, we're invincible, yeah

I am, you are, we're one (yeah we're one)
You say, the word, and I'll come (yes I'll come)
We're invincible, yeah
Be bop mm do, be bop mm do
We're one, we're invincible

da da da da da da da
da da da da da da
da da da da da da da
We're invincible
