Oh, yeah  
Oh, oh, yeah, yeah, yeah, eh  
Oh, oh, yeah, yeah, yeah, eh

I trusted her with him  
That's where the story begins  
We talked of boys and men  
They all came second then

I made a sacrifice  
And trusted all her advice  
There was no need to fight  
Things were so simple then

One by one she broke her promises  
I guess she thought that she could take my man  
I just gotta let her know  
His love is for me, and that's the way the story goes

She was a friend of mine  
Or so I thought at the time  
How could I be so blind  
To trust her with my man

She fooled me with her eyes  
And hid behind a disguise  
I've read between the lines  
And now I understand

Oh, oh, yeah, yeah, yeah, eh  
Oh, oh, yeah, yeah, yeah, eh

She said she'd make it right  
And talk to him late at night  
Told me to take it slow  
But little did I know

She had a master plan  
I had my head in the sand  
But now it's plain to see  
She chose him over me

Every day she's smiling in my face  
But every night she's trying to take my place  
She said she'd always be right there for me  
But now I can see the kind of help I just don't need

She was a friend of mine  
Or so I thought at the time  
How could I be so blind  
To trust her with my man

She fooled me with her eyes  
And hid behind a disguise  
I've read between the lines  
And now I understand

Oh, oh, yeah, yeah, yeah, eh  
Oh, oh, yeah, yeah, yeah, eh  
Oh, oh, yeah, yeah, yeah, eh  
Oh, oh, yeah, yeah, yeah, eh

Never thought friends could be so cruel  
I never thought you could break all the rules  
Now it's you that looks like a fool  
'Cause what goes around comes around, oh yeah

She was a friend of mine  
Or so I thought at the time  
How could I be so blind  
To trust her with my man

She fooled me with her eyes  
And hid behind a disguise  
I've read between the lines  
And now I understand

Oh, oh, yeah, yeah, yeah, eh  
Oh, oh, yeah, yeah, yeah, eh

She was a friend of mine  
Or so I thought at the time  
How could I be so blind  
To trust her with my man

She fooled me with her eyes  
And hid behind a disguise  
I've read between the lines  
And now I understand

Now I understand  
And now I understand  
And now I understand
