If I spell it O U T  
Will you get the message finally?  
I don't wanna fight you see  
But it's the end for you and me

Sorry that it had to be  
But that's the reality  
Do I have to spell it O U T  
For you to see?

Dream on in your own little world  
Keep thinking I'm your girl, baby, I wish you well  
But boy, the fact remains, my story's still the same  
Hard as it is to tell

I've said it all a thousand times  
Now I gotta be cruel to be kind

If I spell it O U T  
Will you get the message finally?  
I don't wanna fight you see  
But it's the end for you and me

Sorry that it had to be  
But that's the reality  
Do I have to spell it O U T  
For you to see?

Oh yeah

You don't get what I say, you want it all your way  
Hear what you wanna hear  
So now I'm showing you, this time we're really through  
The writing on the wall is clear

You'll never make me change my mind  
So I'm gonna be cruel to be kind

If I spell it O U T  
(O U T)  
Will you get the message finally?  
And I don't wanna fight you see

(Yeah, yeah)  
But it's the end for you and me

Sorry that it had to be  
(Had to be)  
But that's the reality  
Do I have to spell it O U T  
For you to see?

(Yeah)  
You know I gotta  
(Yeah, hey)  
Spell it O U T  
(Gotta tell you now)  
End for you and me

You know I gotta  
Mmm, yeah, hey  
(Spell it O U T)  
Gotta hear what I say, yeah  
Gotta hear what I say

If I spell it O U T  
(If I spell it O, if I spell it O U T)  
Will you get the message finally?  
(Finally)  
I don't wanna fight you see  
(Don't wanna fight, I'm walking out the door)  
But it's the end for you and me  
(It's the end of you and me)

Sorry that it had to be  
(Sorry that it had, sorry that it had to be)  
But that's the reality  
Do I have to spell it O U T?

Spell it O U T  
Do I have to spell it O U T  
For you to see?
