"Ba da ba ba bow, ba da da da
Ba da ba ba bow, ba da da da
Ba da ba ba bow, ba da da da

He's one of a kind and he's all mine
He's there for me come rain or shine a million times

Then one day suddenly he needed me
Would I be strong enough for two
When he is you

I know how to ease all your sorrow
So come here
Rest your head on my pillow
It's alright, we don't need a tomorrow tonight
I know how to open the window
To your soul
Close your eyes you can follow
It's alright, we don't need a tomorrow tonight

She wants him to see all he can be
Cos all it takes is an open heart and honesty

Then one day suddenly he really believed
That he'd be strong enough for she
When she is me, oh-oh

I know how to ease all your sorrow
So come here
Rest your head on my pillow
It's alright, we don't need a tomorrow tonight
I know how to open the window
To your soul (your soul)
Close your eyes you can follow
It's alright, we don't need a tomorrow tonight (it's
alright)

Oh-oh, we fly cos together we're stronger when we can
touch the sky
Don't need tomorrow tonight, tonight

Ba da ba ba bow, ba da da da

Ba da ba ba bow, ba da da da
Ba da ba ba bow, ba da da da

Oh-oh I know how to ease all your sorrow (yeah yeah
yeah yeah)
So come here
Rest your head on my pillow
It's alright, we don't need a tomorrow tonight
(It's alright, don't need tomorrow, tomorrow tonight)
I know how to open the window (yeah yeah yeah yeah)
To your soul
Close your eyes you can follow
It's alright, we don't need a tomorrow tonight (it's
alright)

Cos it's alright, we don't need a tomorrow tonight
Don't need tomorrow tonight yeah
Don't need tomorrow tonight
Don't need tomorrow tonight"
