People say,
Never watch and wait,
When the pressures on,
You know it won't find you,
Fate is shy,
When you seek it high,
When you're looking left,
It'll creep up on the right,
So I found out for myself,
That all the tales were true,
You came without a warning,
Not a clue,
(Chorus)
Wasn't looking when I found love,
Yeah it took me by surprise,
Wasn't looking when you showed up,
Now you're all I see,
Wasn't looking you took my hand,
The way it should be,
Wasn't looking when I found love,
And its beautiful,
(verse 2)
Mind your time,
Never stand in line,
Cause the trouble is,
It'll never come your way,
Funny how,
When you hunt them down,
There's a drought,
And don't,
Then it rains all day,
Cause no matter what you do,
It'll end up you,
And hits you like a boat out of the blue,
(Chorus)
So I found out for myself,
That all the tales were true,
You came without a warning,
Not a clue,
Na na na da da,
da da da da da da, 2x
(Chorus 2x)
