Yeah, yeah, yeah

Oh, talk to me, can't you see
I'll help you work things out?
Oh, don't wanna be your enemy
And I don't want to scream and shout

'Cos, baby, I believe in honesty
And then be strong and true
I shouldn't have to say now, baby
That I believe in you

What took you so long? What took you all night?
What took you forever to see I'm right?
You know, I treat you so good, I make you feel fine
You know, I'll never give it up this time oh, no, no

Oh, you touched my heart right from the start
You didn't know what to say
(Didn't know what to say)
But, honey, I understand
When you take my hand everything's okay

'Cos, baby, I believe reality
It's never far away
I've had enough, so listen, baby
I've got something to say

What took you so long? What took you all night?
What took you forever to see I'm right?
You know, I treat you so good, I make you feel fine
You know, I'll never give it up this time

What took you so long?
(What took you so long?)
What took you all night?
(What took you all night?)
What took you forever to see I'm right?

You know, I treat you so good
(I treat you so good)
I make you feel fine

(I make you feel fine)
You know, I'll never give it up this time, oh, no, no

Baby, I believe in honesty
And then be strong and true
I shouldn't have to say now, baby
That I believe in you

What took you so long? What took you all night?
What took you forever to see I'm right?
You know, I treat you so good, I make you feel fine
You know, I'll never give it up this time

What took you so long?
(What took you so long?)
What took you all night?
(What took you all night?)
What took you forever to see I'm right?

You know, I treat you so good
(I treat you so good)
I make you feel fine
(I make you feel fine)
You know, I'll never give it up this time

What took you so long?
(What took you so long?)
What took you all night?
(What took you all night?)
What took you forever to see I'm right?

You know, I treat you so good
(I treat you so good)
I make you feel fine
(I make you feel fine)
You know, I'll never give it up this time, oh, no, no
