If I was a shiny new car you'd a wrecked it a confetti
surprise
You'd expect it something you shouldn't say you'd a
said it
If I were a book you'd a lied and said you read it tired
of
Your bs that's it I can only take it so long I don't want it,
You can have it I don't need it, could be dancing with
somebody,
Who gets it I don't want it, you can have it

Your all talk, talk, talk, and no action my theme song is
no
Satisfaction you write my heart a check with nothing to
back it
And the second that I try to cash it you pour the guilt on
so
Strong, it's you turn to drag it around now I don't want
it,
You can have it I don't need it, could be dancing with
somebody,
Who gets it I don't want it, you can have it

So take your t-shirts, dip cans off of my night stand
Your cheap dates, always late, flowers that you never
gave
Your long naps, short temper ring that you forgot
remember,
Put it in a box and write on it return to sender I don't
want it,
You can have it I don't need it, could be dancing with
somebody,
Who gets it I don't want it, you can have it I don't want
it, you can have it
I don't need it, could be dancing with somebody, who
gets it I don't want it,
You can have it you can have it I don't need it, could be
dancing with somebody,
Who gets it I don't want it, you can have it you can have
it

I don't want it

You can have it
