Got a full grown rush from ya baby like a love shock to
my brain
Got a school girl crush all my friends say I'm freekin'
out I'm
Goin' insain I'm on your trail and closin' fast better get
ready
For the blast like a shot gun bang bang movin' like a
fast train
Super sonic love thing like a shot gun on the mark put a
target
On your heart ain't no use in runnin' cause you know my
love is
Comin' like a shot gun

You got full moon eyes that make you sparkle like the
stars dancin' on the creek
Got that up to somethin' smile makes a country girl
wanna kick her boots
Off and get a little wild and free my mind is sayin'
honey don't but my heart
Knows just what it wants like a shot gun bang bang
movin' like a fast train
Super sonic love thing like a shot gun on the mark put a
target
On your heart ain't no use in runnin' cause you know my
love is
Comin' like a shot gun

Like a shotgun bang bang super sonic love thing like a
shotgun bang bang
Super sonic love thing

Like a shot gun bang bang movin' like a fast train
Super sonic love thing like a shot gun on the mark put a
target
On your heart ain't no use in runnin' cause you know my
love is
Comin' like a shotgun bang bang super sonic love thing
like a
Shotgun bang bang ain't no use in runnin' cause you
know my love is
Comin' like a shotgun ya ya
