Don't want a guilt trip no need for cryin' I'm so over you
and all your lyin'

I tried to love you and then you blew it It's pretty
obvious what I'm doin'

Got my walkin' shoes on and I'm gone gone gone no
more treating me bad

No more doing me wrong cross the floor out the door
never gonna see me any more

So long I got my walkin' shoes on and I'm gone

You say your sorry but I ain't' buyin' all your bs you say
your dyin'

Your heart is broken and you wont make it to bad baby
cause I ain't' stayin'

Got my walkin' shoes on and I'm gone gone gone no
more treating me bad

No more doing me wrong cross the floor out the door
never gonna see me any more

So long I got my walkin' shoes on and I'm gone gone
gone gone I'm gone

Bye bye baby

I must have been crazy

To think I could make it work

Your such a jerk

I got my walkin' shoes on and I'm gone gone gone no
more treating me bad

Or doing me wrong cross the floor out the door never
gonna see me any more

So long I got my walkin' shoes on and I'm gone gone
gone no more treating me bad

No more doing me wrong cross the floor out the door
never gonna see me any more

So long I got my walkin' shoes on and I'm gone
