Every morning in my mind
I get tired of being confined
Sometimes, I'm tired a while
Stuck in ground every land
Reaching out for a hand
Your hand

Slip into my room, I'll slip into you
We can leave my little world
Oh, lead me to a better place
Oh, save me from my state of grace
Oh, I'm gonna click my heels today
Gonna kick my shoes off anyway
Emerald City

I'm locked in
A prisoner of planet real
My true desire revealed
Concealed

Take me like a storm
Take me in your arms
Lift me from my little world
Oh, lead me to a better place
Oh, save me from my state of grace
Oh, I'm gonna click my heels today
Gonna kick my shoes off anyway
Emerald City

Under this skin
My heart gets tied unwound
Especially when you're around
Around

Slip into my room, I'll slip into you
We can leave my little world
Oh, lead me to a better place
Oh, save me from my state of grace
Oh, I'm gonna click my heels today
Gonna kick my shoes off anyway
Emerald City
