Lookin' back, I don't regret
One single day.
Memories will keep me close
When you walk away.
It's harder then I could imagine.
Yes I should have known that.
Close your eyes and I'll be there.
I'll come runnin' anywhere.

CHORUS

Say goodbye, I'll be okay.
I will wait for you cause
True love will never fade.
When it's real, you can feel it.
And I know,
That you know,
That I will keep on waitin'
Patiently...
Patiently... for you.

Stormy tuesday afternoons
Never been the same.
I used to stand outside
And taste
The sweetness of them.
It's harder when it really happens
Oh I wish I'd known that.
Close my eyes and you're there.
But I can't find you anywhere.

Say goodbye, I'll be okay.
I will wait for you cause
True love will never fade
When it's real, you can feel it.
And I know,
That you know.
That I will keep on waiting
Patiently...
Patiently... for you.

Patiently...
So patiently...

When I'm lost, I try to find you.
Turn around, I'm right be-hind you.

Say goodbye, I'll be okay.
I will wait for you cause.
True love will never fade,
When it's real you can feel it.
And I know,
That you know.
That I will keep on waiting,
Patiently...
Patiently... for you...

Patiently...
Patiently...
Patiently...
