[Emma]

We were strangers, starting out on a journey
Never dreaming, what we'd have to go through
Now here we are, I'm suddenly standing
At the beginning with you

[Daniel]

No one told me I was going to find you
Unexpected, what you did to my heart

[Both]

When I lost hope, you were there to remind me
This is the start

And life is a road that I wanna keep on going
Love is a river, I wanna keep on flowing
Life is a road, now and forever, wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you

[Emma]

We were strangers on a crazy adventure

[Daniel]

Never dreaming, how our dreams would come true

[Both]

Now here we stand, unafraid of the future
At the beginning with you

And life is a road that I wanna keep on going
Love is a river, I wanna keep on flowing
Life is a road, now and forever, wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you

Knew there was somebody, somewhere
A new love in the dark

Now I know my dream will live on
I've been waiting so long
Nothings gonna tear us apart

And life is a road that I wanna keep on going
Love is a river, I wanna keep on flowing
Life is a road, now and forever, wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you

Life is a road that I wanna keep going on
Love is a river, I wanna keep on going

[Emma]
Starting out on a journey

[Both]
Life is a road that I wanna keep on going
Love is a river, I wanna keep on flowing
In the end I wanna be standing
At the beginning...
With you
