When I looked into your eyes
It seemed like a kind of hypnotize
And your this perfect looking guy
Don't know whether to laugh or cry.

Your irresistable
Your unbelievable
It's just strange
'cause I don't know you at all
And I'm not sure if I want to
'cause I'm so
Deep in love
With my illusion of you.

I'm in love with your smile
I'm in love with your style
Wish it could stay the way it is

All I want you to be
Is the boy of my dreams
Wish you could stay away from me
Then you won't disapoint me baby
You'll be everything I need.

Maybe we were meant to be
Boy the temtations killing me
And if we come too close I fear
That one day this magic will dissapear.

Still kinda courious
If this little crush
May even turn into someting serious
And I don't want you too know me
I'm afraid your in love
With your illusion of me.

I'm in love with your smile
I'm in love with your style
Wish it could stay the way it is

All I want you to be
Is the boy of my dreams

Wish you could stay away from me
Then you won't disapoint me baby
You'll be everything I need.

{Fade out}
I'm in love with your smile
I'm in love with your style
