\* Clock ticking, then strikes 5 and doorbell rings\*

\* Dances in from stage right\*

It's Saturday Night  
And were gonna rock it out  
Yea,  
Invite some friends  
Bring 'em on over  
Come on in  
We're gonna get this party up  
Bring what you want  
We're gonna have a good time  
You and me  
We gotta get it started  
It's a Girl's Night!

Home alone  
Havin a sleepover  
Bring accesseries  
That go from head to toe  
Don't need no men  
To keep us ocupedo  
We are Girls  
We can have fun on our own

Gonna throw  
The party of the year  
Just for girls  
No guys are invited  
Hang around  
'Till 1/4 after 12  
Yea,  
Maybe later or  
All night long  
It's a Girl's Night!

Get out the utencles  
Flip on the radio  
Dance until dawn  
Now the party's

For the girl's night  
It's time  
For the Girl's Night
