Joey keeps a picture in her locket
 Likes to show it off to everyone
 Megan's got a summer job she started
 And you'll find me on the porch with my guitar
 Gavin's got a secret he won't tell it and walking home
 from school he lost he's way
 Kelly gets attention when she wants it
 Doesn't matter what she does or what she says

Hello love, hello life
 Hello pain, say goodbye to Jr. High
 Say goodbye to Jr. High

Crystal's got a party on the weekend
 And rumor has it Ryan broke it off
 Rachel's on the cell phone with your boyfriend
 Guess your friendship isn't really what you thought
 Julie keeps a ring around her finger
 And promises she'll never give it up
 Amy wants a scholarship to college
 And for Amy yah the best is yet to come

Hello love, hello life
 Hello pain, say goodbye to Jr. High
 Say goodbye to Jr. High

Every time I see your face, oh
 I remember the way we used to say, oh
 That we had a good time
 And now we'll have a good life...
 Good life

So goodbye time, and goodbye friend
 (when) I see you again will you remember my name
 Hey, hey, hey
 Every time I see your face you know I'll be missing you
 one day
 But we had a good time, we had a good time

Say goodbye to Jr. High
 Hey, hey

I'll see you again
Say goodbye to Jr. High
We had a good time
