Separate from your affliction
Feel alone when i look in your eyes
I'm no longer your addiction
A distant void refelcting in your lies
Don't say a word
Don't cry
You can't get enough
Under your skin
you can't get enough
Drawing your sin
Your lower power is now calling
Spiders crawling through your open pores
In your presence feel you're falling
I say enough but all you want is more
Don't say a word
Don't lie
You can't get enough
Under your skin
You can't get enough
Drawing your sin
