Nothing...
Nothing wrong,
I guess I like foolish...
Situations
Nothing...
Nothing wrong
Just want to let go...
No direction!
Feeling, swaying slow,
Just before giving up
for real,
I want to know

What if you touch me
I think I'll slide into your
mind
What if you touch me
I think I'll infuse in your sighs
Don't you refrain for me
Oh...
What if you touch me...
I aim' you!

Nothing...
Nothing wrong,
I guess I like foolish...
Situations!
Sustain,
Contain the fall
of words denying sensÃ©s...
Being plain, plainly a fool
Playing,
Acting rules just not the way
if should
Reverse our codes

What if you touch me
I think I'll slide into your
mind
What if you touch me.
I think I'll infuse in your sighs

Don't you refrain for me
Oh...
What if you touch me...
I scare you!

What if you touch me
I think I'll slide into your
mind...
What if you touch me
I think I'll infuse in your sighs
Don't you refrain for me
Oh...
What if you touch me...
I aim' you!

What if you touch me
