I've always wanted to know how it's
Like
And what it means to me to be in love
Uh-Uh Uh-Uh
I've never felt like this before
But ever since I met you
I can't sleep without thinkin of you
Yeah
Uh-Uh Uh-Uh

Chorse
Now I'll show you how I feel
My life is like a fairy tal that you don't want to be in
Cinderella or maybe Sleeping beauty
Waiting for that one
The perfect match to fit in the missin part of me
I don't know a lot but I all I know is I'll end up with a guy
Or a pince
And love yeah

I've never been in love like this
But when I talk to you it's like I can't breath
Your always takin my breath away
Uh-Uh Uh-Uh
I've want to be in love
Feel like I've never felt before
Never been in a real relationship before
I hope that will change

Chorse
Now I'll show you how I feel
My life is like a fairy tal that you don't want to be in
Cinderella or maybe Sleeping beauty
Waiting for that one
The perfect match to fit in the missin part of me
I don't know a lot but I all I know is I'll end up with a guy
Or a pince
And love yeah

Bridge
I got tired from waiting for you
My life is getting duler

Every minute you waste
Will you ever show up
That would be amazing
And love and love yeah and love

Chorse2
Cause I never wanted to be in this kind of love
I just wanted to know what it would feel
But it's just another love just another wish
Just another heartake a heartbrake
Yeahh

(Chorse)
Now I'll show you how I feel
My life is like a fairy tal that you don't want to be in
Cinderella or maybe Sleeping beauty
Waiting for that one
The perfect match to fit in the missin part of me
I don't know a lot but I all I know is I'll end up with a guy
Or a pince
And love yeah

And love and love and love
