Save Your Sorry's
Anybody can tell me
I'm really losing my mind
Because I always had faith in you
I always dreamed about you me

Until I new 2x

(Chorse)
That your just a day dream
Your not reality
Ur just a dream crusher
Everybody nows
That you and me
Were never ment to be
So save your sorrys
For the next one
Who comes around

Cause I always thought
Your were so diffrent
But me and you were so way off
I should have know
You just werent the one
And not a good time
To be begging for my forgiveness

But I should have know2x

(Chorse)
That your just a day dream
Your not reality
Ur just a dream crusher
Everybody nows
That you and me
Were never ment to be
So save your sorrys
For the next one
Who comes around

(Bridge)
I can't take this anymore

Your ur sorrys
And always costent
You now me better than that

(Chorse2)
But your just a day dream
Your not reality
Now I can find someone
Who will be my one
And everyone nows
That you and me wernt ment to be
Stupid sorrys
Now I now

(Chorse)
That your just a day dream
Your not reality
Ur just a dream crusher
Everybody nows
That you and me
Were never ment to be
So save your sorrys
For the next one
Who comes around
