Who should I be  
That's up to me  
Wanna show them who I am inside  
But what if I'm scared  
Of what they'll think of me

I will show them who I am  
Cause it my life  
And I'm a guid

(Chourse)  
I can be scared to show them  
Who I am  
Gonna let them see  
This is who I wanna be  
Gonna show them the real me  
Cause that is me  
I am me

They can think I am weird  
They can think that  
Bit I don't really care  
They can think whatever they want to  
Cause I will be  
All me  
And I will prove it

(Chourse)  
I can be scared to show them  
Who I am  
Gonna let them see  
This is who I wanna be  
Gonna show them the real me  
Cause that is me  
I am me

Will be me  
Cause I now who I am  
I am gonna be me  
All me  
Cause I wanna show them an girl they wont forget(3x)

Do you think I would actually  
Care what they think of me  
But I'm just a girl in a small world  
And they think I'm different  
Cause I don't actually care about what they think  
Cause I now I'm a girl they won't forget

(Chorus 2x)  
Me 3x  
Gonna show them 3x  
A girl they won't forget 2x
