Hmm, mmm... hooo, ohh...

Lying across the bed in
The morning looking at you,
While you sleep telling my
Self how did I get a man
Like you.

You make me feel like I'm
The only one for you in
Your life.

But I'm thinking of the after
Math.
What's gonna go wrong in
This relationship.
But No Matter What I still
Forgive you cause I know
You still love me.
No Matter What we can
Let this pass us.

Hmm, mmm...
Oohhoh...

No Matter What.

Everyday I wonder is
This right for us.
Cause we are from
Places that are different.
We have nothing in
Common.

But I don't care as long
As we still love each
Other cause you are
Mine to keep forever.

But I'm thinking of the after
Math.
What's gonna go wrong in

This relationship.
But No Matter What I still
Forgive you cause I know
You still love me.
No Matter What we can
Let this pass us.

Ooooh oh ho oh...
We can let this pass us

Humm, mmmm...

They say opposites attract
Each other and I don't care
If I don't have a ring around
My finger.

Cause baby I still don't care
If you don't love me.
But as long as we had fun.
And still love each other

But I'm thinking of the after
Math.
What's gonna go wrong in
This relationship.
But No Matter What I still
Forgive you cause I know
You still love me.
No Matter What we can
Let this pass us.

Hmm, mmm... Oooo, ohh...

No Matter What.
