You think I'm not strong,  
As if I'm made of glass.  
So easily broken, if I am  
Provoked, and given the chance.  
You ask what's wrong, when  
I swim against the tide, got  
Me trapped in a box, I'm trynna'  
Unlock, from somewhere inside.

And you say I'm changing, but I  
Don't give a damn. Cause I can't  
Restrain who I am.

(Chorus)  
Cause I'm not your, paper doll,  
You can't keep undressing me, I  
Don't fit in, to what you see. I won't  
Fall, just cause your touching me,  
I'm not cut out for what you need.  
(Oooh... No... )

You think I'm a good girl?  
Does that make you feel secure?  
If you opened your mind are you  
Scared you might find, your not so sure?  
You think submissive? Oh, in your  
Eyes I'm bound, well too bad for you,  
You shouldn't assume, I'd take it lying down.

(Chorus x 2)  
Cause I'm not your, paper doll,  
You can't keep undressing me, I  
Don't fit in, to what you see. I won't  
Fall, just cause your touching me,  
I'm not cut out for what you need.  
(Oooh... No... )

Cause I'm not your, paper doll,  
You can't keep undressing me, I  
Don't fit in, to what you see. I won't  
Fall, just cause your touching me,  
I'm not cut out for what you need.

(Oooh... No... )

Whoa ooh, oh...  
And I don't give a damn,  
Cause I can't restrain who I am.

(Chorus x 3)  
Cause I'm not your, paper doll,  
You can't keep undressing me, I  
Don't fit in, to what you see. I won't  
Fall, just cause your touching me,  
I'm not cut out for what you need.  
(Oooh... No... )

Cause I'm not your, paper doll,  
You can't keep undressing me, I  
Don't fit in, to what you see. I won't  
Fall, just cause your touching me,  
I'm not cut out for what you need.  
(Oooh... No... )

Cause I'm not your, paper doll,  
You can't keep undressing me, I  
Don't fit in, to what you see. I won't  
Fall, just cause your touching me,  
I'm not cut out for what you need.  
(Oooh... No... )

Oh... ooh. Cause I'm not your paper doll  
You can't keep undressing me, (oh)

I won't fall no I wont, not cut out  
For what you need.

(Oh)... I'm not cut out for you
