A girl like you is gotta have about a hundred
Guys just waiting in line on her
A girl like you wouldn't give a guy
like me the time of day for sure.

But I cant help wondering what it would be like
To have someone like you in my life
Even though I know its just a hopeless fantasy
Cos your too beautiful for me

Too lovely Too sweet
Too irresistible to every guy you meet
Too wonderful Too fine
Too unapproachable ever to be mine
No not in this lifetime so why bother even tryin tryin

A girl like you makes a guy like me
Wanna hand over my life my heart
But the problem is everytime you get close
Wanna tell ya but I don't know where to start.
For all the chance I have of getting with you
I might as well be a freak in the zoo
We don't belong together anyone can see
Cos your too beautiful for me

Too lovely Too sweet
Too irresistible to every guy you meet
Too wonderful Too fine
Too unapproachable ever to be mine
No not in this lifetime so why bother even tryin tryin

Shes just too wonderful shes just too sweet
Shes just too beautiful beautiful for me

And if we ever got together someday
I know exactly what people would say
They'd say hey look there goes beauty and the beast
Cos your too beautiful for me

(REPEAT CHORUS TIL END)

What am I invisible? . .
