I know it's been a while since I, held you in my arms  
and I  
Can't believe our feelings could be fading, oh no  
I know it's been a long, long time that I haven't made  
you smile  
But I'm still here to please you do you feel the same?  
Yeah, yeah

And oh I wish I could turn back time, but nothings  
gonna go down  
This life is the right time

Coz I wanna be, the one you see when you are old  
Your nightfall when you're all alone  
And your hearts what I'm aching for  
Coz I wanna be, the worlds angel around your feet  
If I'd fall down on my knees,  
Will you run to me? Yeah, would you run to me?

Now you heard my feelings cry, we'll pick up our hearts  
and fly  
The chemistry between us, it will never die, oh no  
How could I live alone, without you there would be no  
home?  
I wish I said a million times, I love you

Oh I find it so hard to breathe, but nothings gonna go  
down  
This life's the right time

Coz I wanna be, the one you see when you are old  
Your nightfall when you're all alone  
And your hearts what I'm aching for  
Coz I wanna be, the worlds angel around your feet  
If I'd fall down on my knees,  
Will you run to me? Yeah, would you run to me?

Can we live forever, we will survive? Oh yeah  
Because I know we breathe love and know that's no lie  
Oh why, do you cry? I don't want you to cry

KEY CHANGE

Coz I wanna be, the one you see when you are old  
Your nightfall when you're all alone  
And your hearts what I'm aching for  
Coz I wanna be, the worlds angel around your feet  
If I'd fall down on my knees,  
Will you run to me? Yeah, would you run to me?

Ah ooh  
Run to me  
Run to me  
Ah ooh  
Will you run to me?  
Would you run to me?
