Am I faster or stronger so I can run away?
Getting older and wiser learning more each day
Am I big enough or tough enough to look the other
way?
From the high class geeks to the negative freaks and
all the things they say.

I can't deal with all these people who never wanna
give
Coz it's not the job your working it's the way you live
You can't give me any reasons not to play
Whatever it takes I'm gonna make 'em see it all my
way.

And here I am do you like what you see
Coz people have their reasons for being close to me
And I won't give in like I have before
If you wanna pick a fight lets do it tonight
I'll show you to the door

Do I have the time to give you what you need?
If you wanna take this journey come along with me
Am I smart enough to read between the lines
If you wanna pick a fight well that's alright
Would you care to step outside?
And here I am do you like what you see.
Coz people have their reasons for being close to me.
And I won't give in like I have before.
If you wanna pick a fight lets do it tonight.
I'll show you to the door.

Am I faster am I stronger am I older or weaker or
wiser?
Am I smarter am I fitter am I tougher of madder or
meaner?

And here I am do you like what you see?
Coz people have their reasons for being close to me.
And I won't give in like I have before.
If you wanna pick a fight lets do it tonight.
I'll show you to the door.
Do you like what you see?

Coz people have their reasons for being close to me.
And I won't give in like I have before.
If you wanna pick a fight lets do it tonight.
I'll show you to the door.

But don't give in.
And don't give out.
Don't give anything up.
Anything at all.
