What's left of me is standing here  
With you I feel I disappear  
And so I pack my bags last time  
No need for words, except bye bye  
No, I don't wanna talk about it  
I don't wanna hear about it  
I don't wanna stay the way we are  
No, I don't wanna talk about us  
I don't wanna hear no more cos  
I need to get out while I can

Cos such a love, destroys my heart  
I have to keep what's left of me  
Cos such a love destroys my heart  
I have to keep what's left of me  
You took me under your control  
You stole my heart my mind and soul  
You made me crazy, but you know  
I will miss you when i go
