Cmon baby come here  
I think I love ya  
Give me an access to all your secret places  
Cause I want ya  
And don't you overlook me  
Cause Im a man  
You do what you can  
But I do what I want  
Cause Im a man  
Now give me your hand  
Let me do bit like this cause I can  
I can cause Im the man  
My sweet lady come here  
Im gonna touch you  
What do you mean?  
No, I don't know you  
But I want to  
And don't you undermine me  
Cause Im a man  
You do what you can  
But I do what I want  
Cause Im the man  
Do I like what I see  
Did I like what saw  
Yes, Im the man  
I think you're delicious  
Come and sit here

Wheres your man  
Now give me your hand  
Let me do bit like this cause I can  
And I can cause Im the man  
Give me a browse  
Through your view  
I know that you want to  
Why else would you be in here  
Looking like you do  
You see I understand  
After all Im the man  
Im the man  
Im the man  
You do what you can

But I do what I want  
Cause Im the man  
Do I like what I see  
Did I like what saw  
Yes, Im the man  
I think you're delicious  
Come and sit here  
Wheres your man  
Now give me your hand  
Let me do bit like this cause I can  
And I can cause Im the man  
Im the man
