At the end of the day, i've been walking away  
But oh no, not today

I'm gonna sit myself down, i'm gonna wait for the  
crowd  
I'm gonna make my daddy proud at the end of the day,  
i've been taken away  
But oh no, not today

I'm gonna speak my mind now, i'm gonna make myself  
clear  
I'm gonna be the one who steers  
'cause there's gonna be a day when i get everything

That's rightfully mine, oh mine  
And there has to be a day when i get everything

That's rightfully mine

Just like that, i'm on the mend, yeah  
Just like that, i come around, yeah  
Just like that, i'm overrun baby

I'm overrun no more, no more  
And every end of the day, i've been sweeping away  
But, oh no, not today

I'm gonna put my feet up, i'm gonna ask for a cup  
I'm gonna lift my status up

By the end of this day, i think you're out of my way  
You don't know what to say

To see the tables, they turn to see the bridges, they  
burn  
To recognize that, i too earn
