This place shall become your grave
Behold me psycho power
Cleanse myself of guilt and doubt
I'll put you straight into the ground

I'm no demon
I am a God
Bow to my feet
Succumb to me
Or you will face defeat

My psycho power
I am the heartless one (I am the heartless one)
Dictator I've become (Dictator I've become)
Leader of chosen few
You are not worthy of Shadaloo

No!

You have no choice, come with me
I know your pain and misery
Give allegiance with Shadaloo
Or I am through with you

This place shall become your grave
Behold me psycho power
Cleanse myself of guilt and doubt
I'll put you straight into the ground

I'll put you straight into the ground
Behold me psycho power
I'll put you straight into the ground

Behold my psycho power
My legacy will never stop because I can't be killed
I'll put you into the ground

I am no demon (am no demon)
I am no demon (am no demon)
I am a God
God! God!

Vega the fallen one
