I heard you wanted to kill me  
So why am I still alive?  
I heard you wanted to kill me  
So come on, so come on  
Why don't you try?

They put a price on my head  
I stay bangin', I stay strapped  
They put a price on my head  
I stay bangin', I stay strapped

I heard you wanted to kill me  
So why am I still alive?  
I heard you wanted to kill me  
So come on, so come on  
Why don't you try?

I know it's hard to believe  
But sometimes dead is better  
I know it's hard to believe  
But sometimes dead is better

I'm not afraid to die  
Do me a fucking favor  
Take my fucking life  
I'm not afraid to die  
Do me a fucking favor  
So take my fucking life

I'm not afraid to die  
I'm not afraid to die  
I'm not afraid to die  
So take my fucking life

I heard you wanted to kill me  
So why am I still alive?  
I heard you wanted to kill me  
So come on, so come on  
Why don't you try?  
Why don't you try?  
Why don't you try?
