I stand alone,
But I will not be broken.
I stand alone,
The truest words I've spoken.

Blood runs thin. I stand proof of this.
Where is my family when I need them?
So alone.
I will make sure I'm never forgotten.
I see clearly, you are my enemy.

I stand alone,
But I will not be broken.
I stand alone,
The truest words I've spoken.
I stand alone,
But I will not be broken.
I stand alone.

And now my dreams are slowly escaping me.
I don't need anyone. I don't need you.
I'm okay with dying alone. Dig my grave.
I'm okay with dying alone.
I hope you feel the same.

Bide by time,
I'm gonna die, you're gonna die.
No one cares.

Let them take me now.
I'm already dead.

I don't need anyone. I don't need you.
I'm okay with dying alone.
All I want is power and control.
I'm okay with dying alone.
My cold soul.

I stand alone,
But I will not be broken.
I stand alone,

The truest words I've spoken.
I stand alone,
But I will not be broken.
I stand alone,
The truest words I've spoken.
