Shiver cold  
I stand alone  
Feel the slow desolve  
Black clouds rolling overhead  
Part of me is gone  
Like water now  
Within my hands  
Your nothing I can hold  
As every second  
Slips away  
I've nothing left to show

I'm undone  
Without you now  
I'm in a million pieces  
Undone  
I'm not myself  
If you say I am not  
Yours

Pulsin wide  
The storm sets in  
Unraveling my love  
Cu my hands on broken glass  
Holding on to touch  
I'm bearily held  
With tape and strings  
Am I still alive  
This heavy heart  
Is caving in

Under this  
Goodbye

I'm undone  
Without you now  
I'm in a million pieces  
Undone  
I'm not myself  
If you say I am not yours  
Undone  
I'm nothing now

Just decodence  
In the silence  
Undone  
I'm nthing now  
If you say  
I am not yours

Why can't I  
Just let go  
Wont you leave my  
Head alon  
Going around  
I'm getting  
Nowhere fast  
Here I am

Undone  
Without you now  
I'm in a  
Million pieces  
Undone  
I'm not myself if you  
Say I am not yours  
(2x)
