All I do is dream of you  
The whole night through  
With the dawn I still go on  
Dreaming of you

You're every thought, you're everything  
Every song I ever sing  
Summer, winter, autumn and spring

And were there more than twenty-four hours a day  
They'd be spent in sweet content dreaming away

When skies are gray, when skies are blue  
Morning, noon, nighttime, too  
All I do the whole day through is dream of you

(Piano) I dream of you (instrumental)

When skies are gray, when skies are blue  
Morning, noon, nighttime, too  
All I do the whole day through  
Is dream of you
