VERSE 1

September
The leaves are
Falling red and gold and I
Remember
The way you pulled me closer
Nothing else existed
In the world we lived in
We didn't
See the storm was coming closer...

(CHORUS)

That was then
But the time has come and gone
Nothing left but a broken story
We can't change
Can't erase
Nothing that we can say now
Can get back what we gave up
That was then
This is now
It's been too long

VERSE 2

December
When we were
Drifting like the falling snow
Around us
But then a
Winters chill blew through your heart
Mistakes that we made
We know we can't change
The silence
Was so hard
But I'm stronger for it

(CHORUS)

VERSE 3

September
The leaves are
Falling gold again
And I
Remember
The way we were

(CHORUS)

It's been too long
