I've been searching for my place
Finding my way home now I'm looking at your face
And I don't feel so alone
Never knew I'd find you

Don't break my heart
Don't walk away
Don't leave me lonely
Running in place
Waited so long
To be here right now
Sometimes things work out
Don't ask me how
Don't break my heart

I watch the shadows walk the street
Nothing was enough now I'm closer to complete
Not trying to be tough
Never knew I'd find you

Don't break my heart
Don't walk away
Don't leave me lonely

Running in place
Waited so long
To be here right now
Sometimes things work out
Don't ask me how
Don't break my heart

Don't break my heart
Don't walk away
Don't leave me lonely
Running in place
Waited so long
To be here right now
Sometimes things work out
Don't ask me how
Don't break my heart

Don't break my heart

Don't break my heart
