I'm looking over a four leaf clover
I overlooked before
One leaf is sunshine, the second is rain
Third is the roses that grow in the lane

No need explaining
The one remaining is somebody I adore
I'm looking over a four leaf clover
I overlooked before

I'm looking over a four leaf clover
I overlooked before
One leaf is sunshine, the second is rain
Third is the roses that grow in the lane

No need explaining
The one remaining is somebody I adore
I'm looking over a four leaf clover
I overlooked before

I'm looking over a four leaf clover
I overlooked before
One leaf is sunshine, the second is rain
Third is the roses that grow in the lane

No need explaining
The one remaining is somebody I adore
I'm looking over a four leaf clover
I overlooked before
I overlooked before
I overlooked before
