Phantom (Don Juan):
Passarino - Go away for the trap
Is set
And waits for its prey

You have come here
In pursuit of your deepest urge
In pursuit of that wish which till now
Has been silent
Silent

I have brought you
That our passions that may fuse and merge
In your mind you've already succumbed to me
Drop all defences
Completely succumb to me

Now you are here with me
No second thoughts
You've decided
Decided

Past the point of no return
No backward glances
Our games of make-believe are at an end

Past a thought of "if" or "when"
No use resisting
Abandon thought and let the dream descend

What raging fires shall flood the soul
What rich desire unlocks its door
What sweet seduction lies before us

Past the point of no return
The final threshold
What warm unspoken secrets
Will we learn
Beyond the point of no return

Christine (Aminta):

You have brought me
To that moment when words run dry
To that moment when speech disappears
Into silence
Silence

I have come here
Hardly knowing the reason why
In my mind I've already imagined
Our bodies entwining
Defenceless and silent
Now I am here with you
No second thoughts
I've decided
Decided

Past the point of no return
No going back now
Our passion-play has now at last begun

Past all thought of right or wrong
One final question
How long should we two wait before we're one

When will the blood begin to race
The sleeping bud burst into bloom
When will the flames at last consume us

Both:
Past the point of no return
The final threshold
The bridge is crossed
So stand and watch it burn
We've passed the point of no return

Phantom:
Say you'll share with me
One love, one lifetime
Lead me, save me from my solitude

Say you'll want me
With you here
Beside you
Anywhere you go
Let me go too
Christine, that's all I ask of ...

Carlotta (Spoken): Piangi, my love. Mi amore.
Firmin (Spoken): We're ruined, Andre - ruined!

Raoul (Spoken): Where did he take her?

Madame Giry (Spoken):
Come with me, monsieur
I will take you to him, but remember
Keep your hand at the level of your eyes

Meg (Spoken): I'll go with you

Madame Giry (Spoken):
No, Meg!. No, you must stay here!
Come with me, monsieur

Meg (Spoken): No!
