### VERSE 1:

You were once my one companion  
You were all that mattered  
You were once a friend and father  
Then my world was shattered...

### CHORUS:

Wishing you were somehow here again  
Wishing you were somehow near  
Sometimes it seemed  
If I just dreamed  
Somehow you would be here

Wishing I could hear your voice again  
Knowing that I never would  
Dreaming of you wont help me to do  
All that you dreamed I could

### VERSE 2:

Passing bells and sculpted angels  
Cold and monumental  
Seem for you the wrong companions  
You were warm and gentle...

Too many years  
Fighting back tears  
Why can't the past just die...

### VERSE 3:

Wishing you were somehow here again  
Knowing we must say goodbye  
Try to forgive  
Teach me to live  
Give me the strength to try  
No more memories  
No more silent tears  
No more gazing across the  
Wasted years

Help me say  
Goodbye  
Help me say

Goodbye...
