Oh, the walls are closing in
I can feel it in my bones
Like water risin' up to my chin
Another long night to be alone

I could go out on the town
Talk too much and laugh too loud
If I'm already on my way down
I might as well just work the crowd

Can you hear me now
Can you hear me now
Can you hear me now
Can you hear me now

Oh, the stories I could tell
Sometimes I really hit my stride
We make our own heaven and our own hell
Tryin' to get across to the other side

But everyday ends up the same
One step up, two steps back
Like some old silent movie frame

Zoom in close, then fade to black

Can you hear me now
Can you hear me now
Can you hear me now
Can you hear me now

How did the load get to be so heavy
I used to wear my trouble like a crown
A bad flood's poundin' on the levee
And I'm gonna need some help to hold my ground

But I'm sinkin' like a stone
To where in solitude this life I'll spend
In the coldest place I've ever known
I'm here just waitin' until the end

I send out my SOS

A message in a bottle set out to sea
It just reads, "Soul in distress"
And nobody ever got back to me

Can you hear me now
Can you hear me now
Can you hear me now
