(Chris Hillman - Gram Parson)

She's a devil in disguise
You can see it in her eyes
She's tellin' dirty lies
She's a devil in disguise, in disguise.

Now a woman like that all she does is hate you
She doesn't know what makes a man a man
She'll talk about the time that she's been with you
She'll speak your name to everyone she can.

She's a devil in disguise
You can see it in her eyes
She's tellin' dirty lies
She's a devil in disguise, in disguise.

Unhappiness has been her close companion
Her world is full of jealousy and doubt
It gets her off to see a person crying
Well, she's just the kind that you can do without.

She's a devil in disguise
You can see it in her eyes
She's tellin' dirty lies
She's a devil in disguise, in disguise.

--- Instrumental ---

Her number always turns up in your pocket
Whenever you are looking for a dime
Well, it's alright to call her but I'll bet you darlin'
The moon is full and you're just wasting time.

She's a devil in disguise
You can see it in her eyes
She's tellin' dirty lies
She's a devil in disguise, in disguise...
