Colors of your heart
Like the colors on a pinwheel
Spinning around
Turning away

Colors of your eyes
Tell me you're changing
Tell me your leaving
And that it's too late to try

Colors of your heart
Like the places you're going
There's no way of knowing
What did I do so wrong

Diamonds and sand
Slide through your hands
Like you've done through mine

Did I look away?
Or did I never say
How I needed you?

Colors of your eyes
Like the blues in a bottle
Taking you down
Let them wash you away
