(Wayne Kemp)

Well, I really had a ball last night
I held all the pretty boys tight
I was feelin' single, seein' double
Wound up in a whole lotta trouble.

But today I'll face the big fight
But I really had a ball last night.

When I came home from work this morning
My baby was feelin' low
And he told me what was on his mind
Then he told me where I could go.

Well, I didn't go where he told me to
'Cause the water was cold in the lake
Now there's something fishy 'bout this whole deal
I don't see where I made my mistake.

Well, I really had a ball last night
I held all the pretty boys tight.

I was feelin' single, seein' double
Wound up in a whole lotta trouble
But today I'll face the big fight
But I really had a ball last night.

When I woke up this morning
Like me, the sun was high
Well, I started walking the long way home
Just to think of an alibi.

Well I couldn't think of a darn gawn thing
That hadn't already been said
So I guess I better just play it by ear
'Cause I'm already dead.

Well, I really had a ball last night
I held all the pretty boys tight.

I was feelin' single, seein' double
Wound up in a whole lotta trouble
But today I'll face the big fight
But I really had a ball last night.

Yes, today I'll face the big fight
But I really had a ball last night...
