In our struggle just to get by
Many times the burden's been heavy
Still we carried on side by side
And when we're gone, long gone
The only thing that will have mattered
Is the love we shared
And the way we cared
When we're gone, long gone
And when we are walking together in glory
Hand in hand through eternity
It's the love that will be remembered
Not wealth, not poverty
And when we're gone, long gone
The only thing that will have mattered
Is the love we shared
And the way we cared
When we're gone, long gone
When we're gone, long gone
The only thing that will have mattered
Is the love we shared
And the way we cared
When we're gone, long gone
In our struggle just to get by
Many times the burden's been heavy
