Don't wanna see you again or hold your hand
'Cause you don't really love me you're not my man
You're not my man oh you're not my man
Go back to Greenville just go on back to Greenville.

You scream and shout and you make a scene
When you open your mouth you never say what you mean
Say what you mean oh say what you mean
Go back to Greenville just go on back to Greenville.

You drink hard liquor you come on strong
You lose your temper someone looks at you wrong
Looks at you wrong oh looks at you wrong
Go back to Greenville just go on back to Greenville.

Out all night playin in a band
Looking for a fight with a guitar in your hand
A guitar in your hand oh a guitar in your hand
Go back to Greenville just go on back to Greenville.

Empty bottles and broken glass
Busted down doors and borrowed cash
Borrowed cash oh the borrowed cash
Go back to Greenville just go on back to Greenville.

Looking for someone to save you
Looking for someone to rave about you
To rave about you oh to rave about you
Go back to Greenville just go on back to Greenville...
