If you love me half as much as I love you
You wouldn't worry me half as much as you do
You're nice to me when there's no one else around
You only build me up let me down

If you missed me half as much as I miss you
You wouldn't stay away half as much as you do
I know that I could never be this blue
If you only loved me half as much as I love you

Well if you love me half as much as I love you
You wouldn't worry me half as much as you do
I know that I could never be this blue

If you only loved me half as much as I love you
Well if you only loved me half as much as I love you

{Thank you
Is it wonderful to sit out there I mean is this a great
Place to sort of feel the Hillbilly guests.
I, I played a lot of different places in last sixteen years
From a really mega buck you know a multi-million
dollar places
That really sound terrible to one place in Lake Charles
Louisana
Where the only way to get to the stage is to climb
through the window
And so ah anyway this is the best, this is the best}
