Well, you ask me if I'll forget my baby, I guess I will
some day
I don't like it but I guess things happen that way
Well, you ask me if I'll get along, I guess I will some
way
I don't like it but I guess things happen that way

Well, God gave me that man to lean on, then He put me
on my own
Heaven help me to be strong and have the strength to
carry on
I don't like it but I guess things happen that way

Well, you ask me if I'll miss his kisses, I guess I will
everyday
I don't like it but I guess things happen that way
And you ask me if I'll find another, I don't know, I can't
say
I don't like it but I guess things happen that way

Well, God gave me that man to lean on, then He put me
on my own
Heaven help me to be strong and have the strength to
carry on
I don't like it but I guess things happen that way
I don't like it but I guess things happen that way
I don't like it but I guess things happen that way
